product information

The company Kroschke sign international GmbH has been a mail order company in the field of safety and labeling in the workplace for more than 40 years. The catalog provides clear information on the ways in which accidents are to be avoided in the workplace. For each company there are indispensable warning and information signs, as well as protective workwear, safety shoes and gloves etc. which are used by many companies in industry, services, trade and craft.

Target groups are primarily medium and large enterprises from industry, services, trade and craft. The contact persons are primarily for purchasing, work safety, operating, maintenance and management. The addresses are used by the company "Kroschke sign international" several times a year and maintained regularly, so that a high recency standard is ensured. In addition, the contact person can be selected by their department area.
