

Fundraising: new donor acquisition and donor communication

We offer dialogue marketing support for all non-profit organizations

Culture, education, research

Non-profit, social, ecclesiastical purpose

Nature and animal protection

New customer acquisition and customer retention

As a cross-media dialog marketing agency with many years of marketing expertise, we offer you a wide range of services for addressing target groups effectively and efficiently.

Procurement of private and company addresses

Brokerage of parcel and media inserts

Professional data preparation

Production & Lettershop

As an independent broker of **target groups**, we always guarantee the best possible selection of data and insert options for addresses, parcel and media inserts that are optimally suited to the purpose.

To ensure that your mailings attract maximum attention, we also attach particular importance to the **highest quality data preparation**:

- ✓ Relocation and deceased person comparisons
- ✓ Block list comparisons
- ✓ Duplicate matching
- ✓ Deliverability check

You can choose from a wide range of mailing production options. From **classic mailings** and cost-effective **self-mailers** to sophisticated individualized **VarioMail concepts**. We can also produce **emergency mailings** for you at short notice. **Multiple matching** and **selective targeting** enable us to successfully address your mailing recipients in a target group-specific manner.

Our offers are convincing as a "modular system" - combine the services that you really need for your non-profit organization! If you are interested, please contact our fundraising specialist Heike Lobüscher (heike.lobuescher@trebbau.com, Tel.: 0221/376 46 - 344).
