product information

The publisher Dr. Otto Schmidt has provided more than 100 years of qualified information for the legal and tax practice in the professions and in the economy, as well as in judicial and administrative areas. It is one of the most renowned suppliers within Germany in its field. The company supplies lawyers - individual lawyers or lawyer-firms - with their special disciplines, accountant and tax consultant firms, notaries and patent attorneys, with the current state of laws, regulations, interpretations and case law; starting with the competent quick analysis in the specialist journals of the publishing house, ranging from balanced commentary in book form through to the online or offline research archives.

The target group consists of experts in law, economics and taxes with different specialties and priorities. They keep their knowledge up to date to be able to give qualified advice and to keep up with the competitive market.
