

Video Ads

Motion-driven advertising with impact

More attention. More relevance. More advertising success!

Engage your target audiences with high-impact video ads, privacy-friendly targeting, and a positive user experience.

Your benefits:

- High attention levels
- Audience targeting without cookies
- Positive user experience
- Stronger brand affinity
- Measurable campaign performance

Why Trebbau and Video Ads?

Video ads generate strong attention, improve brand recall, and enable precise audience targeting without cookies. Choice-driven approaches support self-directed ad consumption, increase acceptance, and improve advertising impact over the long term.

Our promise:

Less wasted reach. More attention. More campaign success!

Use the power of video for your sales success - we will advise you personally and without obligation on the right video ad solutions! Free initial consultation: Together, we develop a high-impact concept for your target audience.
